We are pleased to announce that a CME on “Antimicrobial Resistance: Current Status and Way Forward” will be held on 23rd March 2019. The objective of the CME is to address the ever-growing problem of antimicrobial resistance from a clinician’s perspective.

There will also be a pre-CME workshop on “Implementing Anti-Microbial Stewardship Programme (AMSP) in Tertiary Care Hospitals” on 22nd March, 2019. The details about the registration and postgraduate quiz programme will be announced shortly.
