

ORTHO-SUV FRAME AND DEFORMITY CORRECTION COURSE

Conducted by The Department of Orthopedics, JIPMER - Puducherry

Date: 4TH JANUARY 2019.

Venue: NTTC HALL JIPMER ACADEMIC CENTRE, 4th floor.

We would like to invite you to the ORTHO-SUV FRAME AND LIMB DEFORMITY CORRECRTION COURSE scheduled to be conducted at JIPMER, Puducherry. The objectives of the course are to enhance the participants' knowledge of ORTHO-SUV FRAME application techniques and implementation of such knowledge into clinical practice. This is an intensive one-day training programme on the principles of ORTHO-SUV application through interactive lectures by Prof.LEONID SOLOMIN, RUSSIA.

Sincerely
